

# Buicktown Crier

Volume 41 Number 6 June 2012

## DIRECTOR'S MESSAGE

Paul Marchi

Greetings and Salutations! Well as we head towards the half way point in the year I am hoping you have all got your Buicks out of storage and back rolling under their own power again! So far we have had a good year with regular attendance at the meetings. It seems the word is getting out on Buicktown even more now as I have talked to a number of people regarding the club at shows and the like. As I mentioned before the idea is to not hide out back, but when someone takes an interest in your vehicle go forward, be personable and TALK to them about your car and our club.

This is the only way we can continue to hope to get the club to grow from where we are now, and with your help I think it is possible, remember this is not a social club with a car background this is a car club with a social impact!

It looks like the summer schedule is going strong so please check out the calendar and make it out to a few events. There are a couple of important ones going on this month that members of our group are directly involved in, but unfortunately they occur on the same weekend, the Jim Heiser Show in Durand and Buick Raceday in Norwalk, Oh. Both events are a great time and result in great friendships, so if you aren't going to one, please go to the other.

Not much else to say this month, Ladies night went great thanks to those that came out, look at all the pictures inside, hope to see you all at this month's meeting. Till then keep it between the lines out there.

## So Long Andy ... And Mott Auto Body

Andy Eshbaugh, our current Auto Body Intern, had taken his final exams at Mott CC the prior week and was packing up to head for Traverse City, his home and his job. He had completed his 100 hours at the Gallery and wanted to stay on just one day longer, as a volunteer, to help out with the color spray painting of the 1953 Skylark. This semester at the Gallery was about fitting the body panels, applying primer-surfacer followed with hours of sanding to achieve that "perfect" surface. Well, Mother Nature intervened...

We all remember the evening and early morning hours beginning Thursday May 4. It rained and rained and rained. Upon arriving at the Gallery, Greg Keller had some water problems to be attended to both at the Gallery and went to check out the basement car storage in the Grand Traverse Street warehouse. After that was taken care of not much time was left to paint the Skylark. A little more surfacer was applied and a paint color sample was made to verify a match and that was about all that could be done.

Of course Andy was disappointed but totally understood the situation. He appreciated the opportunity to work in the Gallery and learn about the restoration business. He says this work is definitely more challenging and exciting than everyday collision repair. He hopes to be able to get into the restoration business and collector cars in the future.

Mott CC has ended their twenty-year run of the Auto Body program that would culminate with an associate degree. Clark Harris, Dean, speaks of a possible continued use of the Thompson Road facility for community use by hobbyists or the like. That is a wait and see situation. Recently acquired restoration tools purchased by both our chapter and Mott face an unknown application. He is formulating plans for some manner of use in the future.

## LADIES NIGHT 2012

## **Collectors Foundation Awards Auto Restoration Grant to Sloan Museum**

Flint, MI- The Collectors Foundation of Traverse City, Michigan has awarded Sloan Museum a \$10,000 grant to continue its successful auto restoration internship program. This funding will help to educate young people and adults about vintage automobiles and their care and restoration while training student interns to become professional restorers. Restoration activities will take place in Sloan's Buick Automotive Gallery in the Vehicle Restoration Facility that allows the public to view the work in progress.

This year's grant will provide internships for seven students from Mott Community College, Flint's GASC Technology Center, and Kansas-based McPherson College. Sloan will also work with Baker College of Flint to explore potential internships for the College's Autobody Technician and Automotive Services Technician Associate degree programs. The internships will begin this summer and run through the 2012 – 2013 school year. Students will work on a classic 1953 Buick Skylark and other vintage vehicles in Sloan's collection.

"We very much appreciate the generosity of the Collectors Foundation," said Tim Shickles, Director of Sloan Museum and Longway Planetarium (Sloan\*Longway). "With the Foundation's strong continuing support, we are undertaking important vehicle restoration work, training future practitioners in this exciting field, and introducing many Museum visitors to vintage vehicles and how they are restored and maintained."

Sloan Museum is located on the Flint Cultural Center campus at 1221 E. Kearsley, with the nearby Buick Automotive Gallery located at 303 Walnut. Museum hours are Monday through Friday, 10 a.m.-5 p.m. and Saturdays and Sundays, Noon-5 p.m. Museum admission, which includes admission to the Buick Gallery, is \$9 for adults, \$8 for seniors, and \$6 for children ages 3-11. Since 2004, Sloan Museum and Longway Planetarium have operated under a single management structure (Sloan\*Longway), and have a mission to create engaging experiences for everyone that inspire lifelong curiosity in history, science and technology. Sloan\*Longway is a member organization of the non-profit Flint Cultural Center Corporation.

The Collectors Foundation is an educational grant-making organization funded by collector vehicle and classic boat enthusiasts to serve youth development and the long-term interests of the collector vehicle and classic boat communities. More information about the Foundation can be found on its website: [www.collectorsfoundation.org](http://www.collectorsfoundation.org).

---

## **Meadowbrook Car Show**

by Suzanne Sherman

Those of you who did not go to the Meadowbrook Car Show missed a very pleasant evening. Several of us caravanned to Rochester and had pizza (Square ones!) at a huge place across from the Oakland University Campus. The car show was right in front of the entrance to the theater so there was little walking involved. It was fun to meet members of South East Michigan Chapter (SEMBCA), many of whom we had traveled with in Florida with Buick Driving Enthusiasts (BDE) in April. Several other clubs, not all Buicks, were glad to be out this early in the season. Flint Corvette Club was represented and we knew many of those drivers.

Each car was given one free ticket to the show, which was very entertaining. Three men sang and danced to a story about their Hometowns, using music of 60's and 70's Motown, Philly, and Memphis; their Hometowns. I always liked the three-man do dah back-up singers and these three were really good.

If Meadowbrook invites us again next year, I will be the first in line to sign-up. It was a fun way to start the car show season.

## Assistant Director: Roberta Vasilov

Happy Buick Summer!

Well, Ladies Night was quite the treat, at the Frankenmuth Brewery, pictures scattered through this newsletter and also on the Buicktown Facebook page. The contest this year was purses... heaviest, "oh my god, I can't believe she carries that" and "Oh that's so CUTE!". Rosemary had the heaviest, Valarie had the weirdest, and Millie had the cutest. Paul and his judges had a great time judging this. Each received a gift card and a plant, well all the ladies received a plant. Thanks to the guys that take there ladies to the special night, wonder what they will think of next year.

Car shows and cruises abound in June almost every weekend there could be 3-4 or maybe more things to do. Make sure you talk to the guy or gal with a Buick and tell them about the club, too. Seems a lot of folks still never heard of the Buicktown Chapter or the Buick Club of American, I know it's hard to believe but it's true.

The summer potlucks are all lined up, June 27 at Denny and Lola's on Linden Rd, always a great setting. Gary and Deb Minch are hosting the July 25 meeting at Richfield Township Park on M-15, they have always wanted to but didn't have room, so this is close to their home and is a perfect set up, can't wait. Rosemary and Dan are going to host us at Flushing Park on McKinley on August 22, they also had wanted to do it, so thanks for stepping up!! Don't forget bring a dish to pass, and your plates and eating tools, etc. You will want to bring chairs etc to Denny and Lola's. The other two are in pavilions with tables. See ya soon! Roberta

# 2012 CAR CRUISES

## Bubba O'Malley's Car Show Event

Featuring DJ Bob Steel - 50/50 & Door Prizes

Presented By: Christian Cruisers Car Club

## EVERY MONDAY 5-8 PM

In 2011 the Chapter's newsletter, the Crier, was modified to comply with IRS criteria due to advertising income. Simply stated, the IRS defines advertising income as unrelated to the purpose of the club. Their point being advertising receipts may provide member benefits by decreasing dues or increasing services. If total unrelated business income is in excess of a calculated value, based upon membership income for the fiscal year, then IRS form 990-T shall be filed.

The club's goal should be to publish the club newsletter with the costs being underwritten solely by the membership. However, the IRS does permit limited non-member income in support of club activity, including the newsletter, which is unique to the 501 C 7 classification. The club treasurer must monitor club receipts and advise the board of the situation. If non-member income exceeds limits, the club would lose its exempt status.

**Non-Member Advertising:**

- Advertising will be limited to "business card" style graphics.
- Advertising charge will be \$ 20 for a 12 month period.
- A copy of the newsletter, mailed, is included in the price.
- For-Profit businesses shall not receive free advertising.
- Non-profit organizations may receive free advertising if space is available.
- All advertising must have a purpose that is related to the club's activity.
- A club member must sponsor and vouch for each advertiser.

Please send paid advertising to  
 Rosemary Emerton, Buicktown Treasurer, 2476 Ketzler Dr Flint, MI 48507  
 Include your business card.
